YOURS

Yours to keep

site and domain stay in your Squarespace account

01 WHERE WE STARTED

What we built it around.

01

In our back fields and along country roads.

Your words. Option 1 maps where each small batch was foraged, town by town, back to Elmwood Road. Tap a batch to redraw it.

02

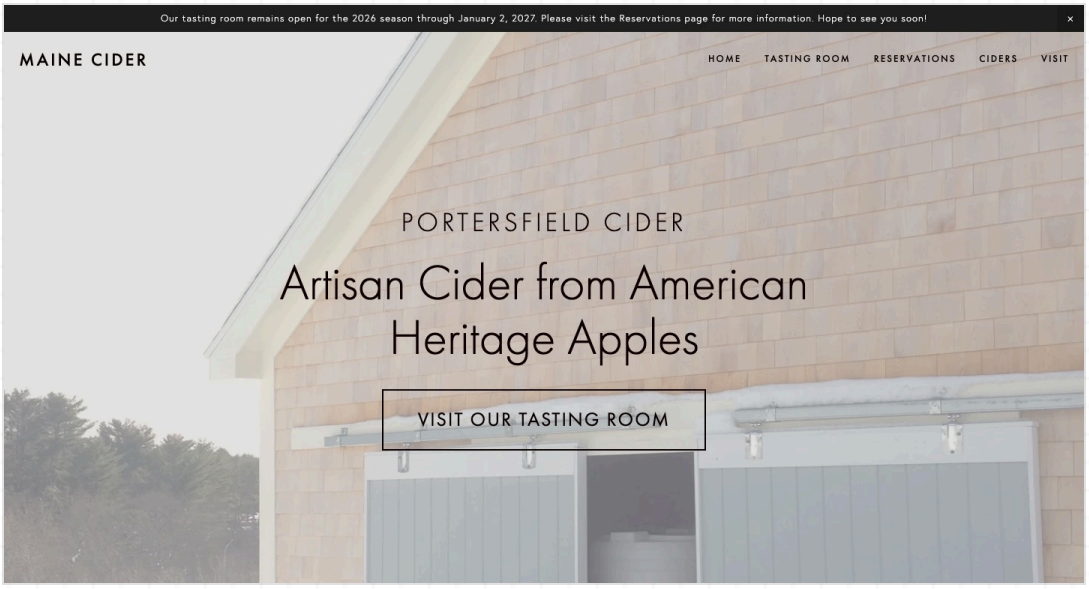

By hand, one bottle at a time.

From your homepage. Option 2 fills the page with cider up to the line in your own Aronia bottle.

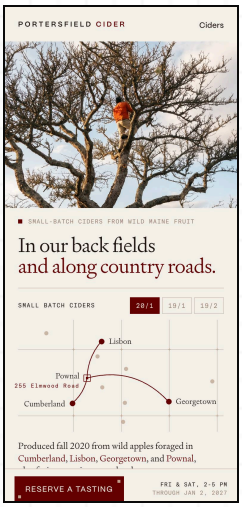

03

A salvaged hand-hewn timber frame.

From your homepage. Option 3 opens your sentence around your own photo of the frame going up.

02 WHAT YOU GET

Pay for the website. Get the whole launch.

01	**The website** A new site for Portersfield: the homepage, your ciders, your tasting room and events, and a way to get in touch, built out from the top you've just seen. Live on your domain within a week of saying go.	$2,500
02	**A launch promo** A short animated video made from your own photos and words, sized for Instagram, Facebook and anywhere else you post.	$140
03	**A launch email** Designed and written for your regulars and your list, so the people who already love your ciders hear about the new site and the next release from you.	$350
04	**A launch ad set** Twelve launch graphics for your own channels (email, socials, site banners), each sized for feeds and stories, with moving versions of the best four.	$350
05	**A phone receptionist, first month** From Hire Whoever, our sister company: a voice assistant built around your tasting room, so callers asking about hours, what's pouring or this weekend's events get an answer while your team is pouring, and every call becomes a short written record.	$105
06	**30 days of changes** Text or email us what to change. It's live the next business day.	$35

PLUS, WHEN YOU SAY GO BEFORE 14 NOVEMBER 2026

BONUS	**Launch email setup** We set up the launch email and line it up for your regulars and your list, ready to go out on launch day.	$180

TOTAL VALUE	YOU PAY	THE ONE-WEEK PROMISE
~~$3,660~~	$2,500	If the site isn't live within a week of go, your first three months of changes are free.

ALL PRICES IN US DOLLARS. EACH VALUE IS OUR OWN PRICE FOR THAT PIECE ON ITS OWN.

06 QUESTIONS

The usual questions.

01

Will moving hurt my Google ranking?

Nothing moves. You stay on Squarespace, at the same addresses, with the same pages and business details, so everything Google already knows keeps working. The new design is fast and built for phones first, which Google rewards. We don’t promise rankings.

02

Is it secure?

Yes. Your site stays on Squarespace, which looks after the hosting, security updates and checkout. The new design is tested on a preview of your real site before anything goes live.

03

Who owns it?

You do. The site and the domain stay in your Squarespace account, in your name. Nothing of ours renews unless you ask.

04

How do I make changes?

Text or email me the change and it's live the next business day. The first 30 days are free. After that, unlimited changes come with any monthly plan, from $250 a month, cancel anytime.

05

When do I pay?

Half ($1,250) when you say go, the rest ($1,250) when the site is live. You've seen the homepage before paying anything.
